

WELCOME TO NATIVEVA | CERTIFIED
UI/UX DESIGNER
1 ON 1 ONLINE TRAINING

About Nativeva

Nativeva is a next-gen design education company, built by creators who design and develop digital products every day. We're not just trainers—we're UI/UX designers, developers, and mentors who focus on creativity backed by real-world design thinking.

We're here to shape tomorrow's design innovators—with industry-ready UI/UX training, practical projects, and mentor-driven feedback.

Meet Your Mentor

*"I don't just teach UI/UX
—I live it every single day."*

— Dhiraj Kumar

About : Dhiraj Kumar

- A multi-disciplinary UI/UX Designer & Full Stack Developer with 7+ years of experience.
- Skilled in creating user-centered designs, wireframes, and interactive prototypes.
- Expertise in tools like Figma, Adobe XD, and modern design systems.
- Founder & CEO of Cyfoxgen Pvt Ltd, leading innovation in design, tech, and product development.
- Combines design thinking with technical expertise to craft seamless digital experiences.
- Passionate about mentoring learners to design products that are intuitive, engaging, and impactful.

Who Is This For?
